**Rejection of
UNDERINSURED MOTORIST
Coverage**

Effective November 1, 2009, Wisconsin state law requires us to offer Underinsured Motorist (UIM) Coverage on your Personal Umbrella Policy. The lowest limit we offer is \$300,000. The annual premium for this level of coverage is \$16 for the first vehicle and \$14 for each additional vehicle.

Higher coverage amounts are available for additional premium. Please call us if you are interested.

This coverage protects you and your family if injured by another driver with insufficient limits of liability insurance. Injuries to you or your family from an auto accident can create considerable financial hardship if the at-fault driver has insufficient insurance and has no other financial means to compensate you for your losses.

If you choose to reject this coverage, you and your spouse or partner, if applicable, will need to sign and return this rejection form by your renewal date. If we do not receive it by the renewal date, we are required by law to add the coverage to each of the vehicles on your policy and bill you accordingly.

This written offer of Underinsured Motorist Coverage is the only offer you will receive from us regarding your Personal Umbrella Policy. However, even if you sign and return this rejection form, you may at any time choose to add this coverage to your policy.
