

# WEAC Members Save Money with Preferred Pricing

## Enjoy the benefits of membership and save money on valuable programs and services.

For over 50 years, WEAC members have enjoyed the quality financial programs offered by Member Benefits—programs made available by their union.

WEAC created programs such as our nationally recognized 403(b) and personal insurance programs to give members a quality alternative to for-profit providers of financial services.

While eligibility for these programs is generally extended to all Wisconsin public school employees, WEAC members receive preferred pricing as an added value to their membership. **Plus, family members may be eligible for most programs.**

## Programs with preferred pricing for WEAC members include:

### IRA Save up to \$150 per year

WEAC members pay a reduced annual fee cap—\$150 less than nonmembers. Member Benefits charges one low administrative fee of 0.45%, which applies until the annual fee cap is reached (just \$600 for WEAC members and \$750 for nonmembers).

### Financial Planning Services

Complimentary services and additional discounts are available for WEAC members. Visit [weabenefits.com/fps](http://weabenefits.com/fps) for details.

### Auto & Home Insurance Discounts of up to 25%

All WEAC members receive a premium rate discount of 3% each year.\* Young educators are eligible for an additional discount of up to 25% on their auto insurance premium.

\*The discount also applies to condo and renters insurance.
