**NOTICE TO APPLICANT REGARDING REPLACEMENT OF ANNUITIES
OR LIFE INSURANCE BY ANNUITIES**

This notice is for your benefit and is required by regulation. If you are urged to purchase an annuity and to surrender, lapse, or in any other way change the status of existing life insurance or annuities, the agent is required to give you this notice. When considering replacement of an existing annuity with a new annuity contract, you should be aware of the following:

- It is to your advantage to receive the advice of the present life insurance company regarding the proposed replacement or change of existing policies. The life insurance company to whom you are applying for the new policy is required by regulation to advise the home office of the company or companies that sold the existing policy or policies of the proposed replacement.
- Some of the reasons it may be disadvantageous to purchase new or change existing life insurance or annuities in favor of new life insurance or annuities are:
 - In the case of an annuity replacement, you may be required to pay a surrender charge for the annuity that is being replaced. You will want to consult with your present provider to determine any such charge.
 - Existing policies may have more favorable provisions than new policies.
 - Replacement may result in loss of a guaranteed benefit.
 - If you are replacing a life insurance policy, be aware that the present insurance company can often make a desired change on terms that would be more favorable than if you replaced existing life insurance policies with new policies.
- For the reasons stated above, it may be disadvantageous to change an existing life insurance policy or to borrow against its loan value beyond your expected abilities or intention to repay in order to obtain funds for premiums on a new policy.
- There may be a situation when a replacement is advantageous. However, for your protection, you should receive the comments of the present insurance company and determine any potential surrender charges before arriving at a decision in this important financial matter.

The annuity(ies) I intend to purchase from WEA Tax Sheltered Annuity (TSA) Trust may replace an existing annuity policy(ies). The following policy(ies) may be replaced as a result of this transaction:

Current carrier as it appears on the policy	Participant as it appears on the policy	Account/contract number
_____	_____	_____
_____	_____	_____

I hereby acknowledge that I received and completed this form regarding replacement of annuities or life insurance before I signed the documents for the proposed new annuity.

Pay special attention to possible surrender charges in the contract that you are exchanging, transferring, rolling over to a WEA TSA Trust account.

WEA TSA Trust accounts do not have a surrender charge or surrender period and do not include variable annuities.

<p>Item 1: Introduction</p>	<p>WEA Investment Services, Inc., (“WEA IS,” “we,” “our,” or “us”) is a member of the Financial Industry Regulatory Authority (FINRA). WEA IS is a subsidiary of the WEA Member Benefit Trust. Brokerage services and investment advisory services and fees differ, and it is important for you to understand these differences. Free and simple tools are available to research firms and financial professionals at Investor.gov/CRS, which also provides educational materials about broker-dealers, investment advisers, and investing. Some financial professionals registered with WEA IS are also registered with WEA Financial Advisors, Inc. For information regarding advisory services, please see the Client Relationship Summary for our affiliated RIA, WEA Financial Advisors, Inc.</p>
<p>Item 2: Relationship and Services</p>	<p>What investment services and advice can you provide me? We offer brokerage services to retail investors of proprietary 403(b) and IRA programs provided through our affiliates. WEA IS provides recommendations with respect to account type but does not provide recommendations with respect to your investment options. WEA IS does not buy or sell securities on behalf of your account(s); however, our registered representatives take orders to execute transactions on behalf of your account(s). WEA IS will refer you to WEA Financial Advisors, Inc. (WEA FA), for advice and/or recommendations regarding investments. While WEA IS remains available to assist you, WEA IS does not monitor your account(s). Our brokerage services are limited to specific groups, focused primarily on K–14 public educators and their families. A current description of eligible groups can be found on our website, www.weabenefits.com/family.</p> <p>We do not impose an account minimum at this time.</p> <p><i>For additional information, please see our Regulation Best Interest Disclosure.</i></p> <p>Questions to ask your Financial Professional:</p> <ul style="list-style-type: none"> • Given my financial situation, should I choose an investment advisory service? Why or why not? • How will you choose programs and/or investments offered to me? • What is your relevant experience, including your licenses, education, and other qualifications? • What do these qualifications mean?
<p>Item 3: Fees, Costs, Conflicts, and Standards of Conduct</p>	<p>What fees will I pay? WEA IS does not charge fees. The affiliated 403(b) and IRA programs have an annual administrative charge based on your account balance. For additional information about program costs, please visit https://www.weabenefits.com/product/403b/our-403b-fees/ or https://www.weabenefits.com/product/ira/our-ira-fees/.</p> <p>Other Fees and Costs You may also incur fund operating expenses. You will pay these operating expenses, whether you make or lose money on your investments. Operating expenses will reduce any amount of money you make on your investments over time. Please make sure you understand what operating expenses you are paying.</p> <p><i>For additional information, please see our Regulation Best Interest Disclosure.</i></p> <p>Questions to ask your Financial Professional:</p> <ul style="list-style-type: none"> • Help me understand how these fees and costs might affect my investments. • If I give you \$10,000 to invest, how much will go to fees and costs, and how much will be invested for me? <hr/> <p>What are your legal obligations to me when acting as my investment adviser? How else does your firm make money and what conflicts of interest do you have? When we provide you with a recommendation, we have to act in your best interest and not put our interest ahead of yours. At the same time, the way we make money creates some conflicts with your interests. You should understand and ask us about these conflicts because they can affect the recommendations and investment advice we provide you. Here are some examples to help you understand what this means.</p> <p>The programs that we offer are primarily limited to proprietary programs offered by our affiliates such as the 403(b) and IRA programs. Our affiliates directly and indirectly compensate us for offering their</p>

	<p>programs. This creates a conflict of interest in that we are unable to offer other programs that may better suit your needs.</p> <p>Certain mutual fund companies give our affiliates record-keeping reimbursements based on the amount of funds placed with them. We therefore have an incentive to promote proprietary programs offered by our affiliates because our affiliates use record-keeping reimbursements to offset program fees and expenses, including investment professional salaries.</p> <p>Questions to ask your Financial Professional:</p> <ul style="list-style-type: none"> • How might your conflicts of interest affect me, and how will you address them? <p><i>For additional information, please see our Regulation Best Interest Disclosure.</i></p> <hr/> <p>How do your financial professionals make money?</p> <p>Our investment professionals are compensated with an annualized base salary and a non-individualized discretionary annual bonus based on the overall growth of our affiliate programs, including new business and retention. Our investment professionals do not earn commissions and are not compensated on a transaction basis for their activities at WEA IS. Certain professionals are dually registered with our affiliated Registered Investment Adviser; however, they do not earn compensation as a representative of the Registered Investment Adviser in relation to their activities at WEA IS.</p>
