

HOW TO FUND *your* ACCOUNT

Making contributions to your IRA account

STEP 1: Log in to the account you created at weabenefits.com/yourmoney.

STEP 2: Once logged in, click on "Plans."

STEP 3: Select the WEA Member Benefits IRA program in the drop-down section.

STEP 4: Click on "Contributions" and select "one-time" (if making a one-time contribution) or "recurring" (if doing a monthly contribution).

RECURRING CONTRIBUTION
Use this option to establish a plan for contributions via automated withdrawals (debits) from your financial institution that are electronically transmitted through the Automated Clearing House (ACH) to your IRA. We do not assess a fee for the ACH contribution option; however, we recommend that you check with your financial institution to determine whether it charges a fee for this type of transaction. If you want to establish a recurring contribution for multiple IRA types, you must submit a separate request for each IRA type. You can select the IRA type by choosing the appropriate account from the drop-down at the top of this page.
